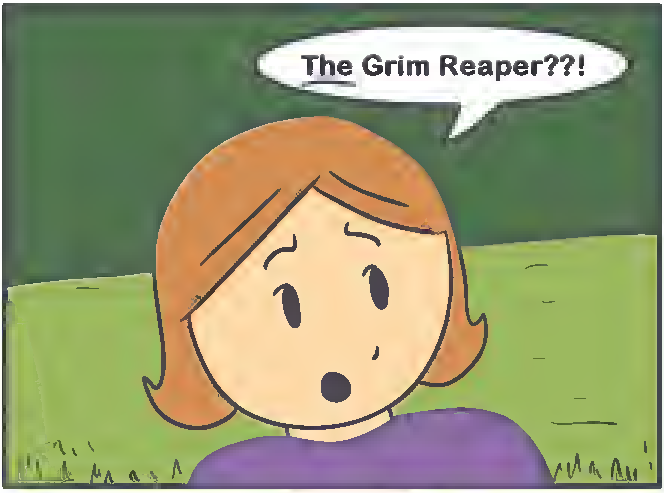
NICHOLALALA

Don't look over there.
Why?

It's the... how can I say in English?
The Grim Reaper.

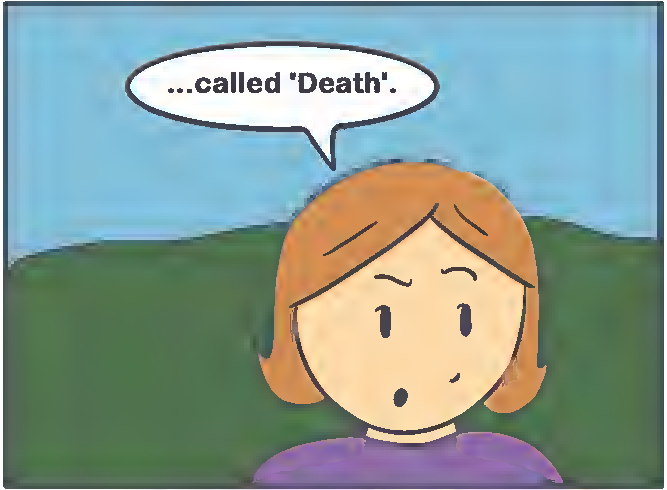


The Grim Reaper??!

Well he is one of many.

In Korea there are many.
This is his zone.

Oh, in my culture there is just one...



...called 'Death'.

Yup that's me.

Ahh crap! Go away!

Don't worry, just passing through.
Picking up some foreigners in Korea.
I got a iot of work to do around the world.

Uh...

Unlike those Korean grim reapers who get to slack off. I gotta do ALL the work.

That's why my face looks like this!!!

HAHAHA!!!!

I'll be seeing you later human!

Yay!
